- **Lynne to complete grant application by 1st April**
- **All quotes for equipment / eligible costs to be forwarded to Lynne prior to this**

## 5. Communications

### WEBSITE

There has been increasing interest in the website, and Jonathan has completed the traffic survey through the website. Dee commented that the Bungoblog name is not very visible with some of the headers, as the formatting has meant the white text overlies light parts of the picture. It was also asked whether there is a way that the pictures of the winning Spring Fling entries could cycle on the website for a period of time after the event. Jonathan was not present at the meeting and it was agreed to discuss following up the traffic survey at the next meeting.

### NEWSLETTER

The Spring newsletter will be produced shortly to showcase the Spring Fling pictures and advertise Bungo in the Back Lanes.

## ACTION

- **Traffic Survey results to be discussed at next meeting**
- **Dee to revise the website headers for greater readability**
- **Dee to photograph at the Spring Fling and place the pictures on Flickr so that they will be available on the right side of the website**

## 6. Environment

### BACK LANES PROJECT

The council have recently been noted to have been surveying the entrances of the lanes that will be closed off after the consultation and Traffic Regulation Order of 2009 - 10

### ENTRUST FUNDS

The Queens Park Performance Project have confirmed their receipt of the offer of the Entrust funds from the Strathbungo Society, and have offered their sincere thanks to the society. The area is going to require further underpinning due to mineworkings, and QPPP are currently investigating council funding for this. They will keep the society updated, and Amanda McDonald is the Society Representative on the steering group.

### BRIGHTER BUNGO

Laura Moodie will discuss with Laura Mackay about the organising of a further Brighter Bungo clear-up. It was suggested that this might concentrate on another area, such as the Moray Place railway embankment.

## ACTION

- **Laura Moodie and Laura Mackay to discuss timing of a Brighter Bungo event**
