But what's the catch?

There isn't one! Bungo in the Back Lanes is all about getting the community out to meet each other and making the most of our back lanes.

The event is organised, advertised and paid for by The Strathbungo Society which is a registered charity: SCO38276.

We also operate a few stalls, the takings from which enable us to keep events like this going and to publish the Strathbungo News and website.

A 10% Donation to the Society from any takings you make are very much appreciated! You are also welcome to raise money for charity, just let us know.

We still need:

Volunteers - come and help us and have a great time too! Tombola, raffle/ bottle stall prizes Donations of second-hand books, records cds, home baking etc.

Thanks to

- 1901 for running our two licensed bars ٠
- Grianach for their fantastic baking
- Glasgow City Council for cleaning up the lanes.
- All local businesses that generously donated items for the tombola, raffle and bottle stall.
- Full list of thanks in the next Strathbungo News
