##### **a. The Newsletter**

The Chairperson requested that due to her new commitment, new editors were required for the Strathbungo newsletter. Dee Miller and Catriona Watt agreed to take on this role. The Chairperson advised that the production of the newsletter represented the biggest cost to the society. The continued cost of its production and the resources required to distribute the newsletter were considered. Following discussion it was agreed that its production and distribution be continued. However, consideration should be given to reducing printing costs by using non glossy paper etc.

##### **b. The Bungoblog**

The Bungoblog was noted as receiving in excess of 400 hits per day and had been a great success in communicating with the Strathbungo community. A request was made to all present to contribute to the blog and to bring their own particular interests to it e.g. genealogy, children's events etc.

##### **c. Equipment Storage**

The Chairperson raised concerns re the storage of equipment owned by the Society. Andrew Downie and Andrew Greg agreed that they had some spare space and agreed to the Society keeping its equipment at their homes. The Society agreed that its members would collect all the equipment from its various storage locations and deposit them at the storage venues volunteered.

##### **d. Back Lanes Improvements**

As a result of the ground consolidation works in Strathbungo the opportunity had arisen to get the back lanes between Marywood Square and Regent Square resurfaced with tarmac. A request was made to Councillor Irfan Rabbani that consideration be given to tarmacing all 4 back lanes. Councillor Irfan Rabbani advised that this would be dependent upon costs and that discussions were currently ongoing. He agreed to keep the Society informed via Scott Mackay. Stephen Lamb agreed to liaise with Scott Mackay and update the Society with regards to this matter. It was approved that the Society continues to work with Glasgow City Council to get the back lanes tarmaced.

**e. Refuse and Recycling**

The proposed speaker from Land and Environmental Services (LES) of Glasgow City Council was unable to attend to discuss ongoing concerns and issues re the uplift of refuse and materials for recycling. LES had advised that they were aware of some of the problems being encountered such as bins being dumped at the end of the back lanes and collection dates not being met. Councillor Irfan Rabbani apologised for the problems experienced and advised that some problems had been due to residents' unmarked bins and insufficient space for vehicle turning at back lane entrances. Councillor Irfan Rabbani agreed to look into the reinstatement of the yellow lines at the entrances.

The next meeting of the Society will be on the 21<sup>st</sup> November 2011 at 7.30pm at Grianach on Nithsdale Road. This meeting was subsequently amended to Torrisdale Street and kindly hosted by Deidre & Brian Miller at their home due to the closure of Grianach.
