The hanging of the pictures and setting of the hall was organised for Friday 16<sup>th</sup> March, and the running of the event discussed for Saturday 17<sup>th</sup> March. Teresa had provided a detailed running plan for the Art Competition. The pictures were to be hung in the local cafes after the Spring Fling. Total prize money for the Art Competition was £120.00. The total Art Competition Budget was agreed as £350.00. Jim Stirk volunteered to host an animation-training event for young people at the Spring Fling. It was suggested that as previous events had made a loss that either a tombola or raffle should be held to raise money.

**6. A.O.B**

Issues concerning the Mine workings compound in Nithsdale Road were raised. These included the floodlights never being on, no response from the contact numbers during the wind storm, no security, the sound of the generators, smell and the dust generated by the compound. It was suggested that when works were completed a thorough clean up of the street and drains should be undertaken by the contractors/ council. A concern re the number of commercial properties street bins was noted. This would need to be discussed further with the council.

Andrew Downie asked for volunteers to assist him with a historical project to identify people who had lived in Strathbungo. Anyone wishing to assist was asked to contact Andrew direct. This was to be promoted on the Bungo Blog.

The next meeting of the Strathbungo Society will be on the 20<sup>th</sup> February 2012 at 7.30pm in The Bungo. This was subsequently changed to the 6<sup>th</sup> February 2012.
