

Strathbungo Society Zoom Meeting Notes

28th April 2020

- A) Noted cancellation of Bungo in the Back Lanes as a physical event was noted. Due to covid restrictions, crowds in the lanes will not be allowed; even if restrictions are lifted by June it will be impossible to organise the event in the time available
- B) It was agreed to consider what- if anything -will be possible under lockdown circumstances and to ask via social media if there were suggestions
- C) It was agreed that putting out a newsletter around the area was sensible. James agreed to coordinate getting articles put together and whether the printers were working. Imelda to check distribution.
