FLYTIPPING

- **Update from Cllr Zen Ghani -**
 - *There are ongoing service delivery problems with cuts to budget. Items will be collected if reported on public roads however the back lanes are often considered private property. The Council have written to the Scottish Government to ask for the penalty for fly tipping to be increased as currently it is not enough of a deterrent - <https://www.glasgow.gov.uk/index.aspx?articleid=30172>.*
 - *Community Police Inspector Cenny has moved on and Cllr Ghani will circulate the new police contact.*
- Requested the Cllr Ghani liaise with the new Community Police Inspector regarding pursuing individuals that can be identified as fly tippers.
- Specific issues on Nithsdale Road were raised and it was agreed that Cllr Ghani would request that Nithsdale be included in the upcoming pilot in Pollokshields and to report back. (<https://www.glasgow.gov.uk/index.aspx?articleid=30140>)
- There is a consultation on the pilot on Thursday 18th May Pollokshields Library 10:30am - 7pm

- Planters to be trialled at entrance to lane from Nithsdale to RPS to deter future fly tipping.

LANE PROJECT

- Bureaucratic delays and rising costs mean we are unable to do everything we hoped for.
- Work will begin imminently on the lane entrance from Vennard Gardens at Moray Place and a section in the Marywood & Queen Square lanes.
- Work will take about a week and may cause some disruption to access, dates will be posted on blog or facebook.
- Cllr Ghani to feed back about inability to apply for repeat funding and the frustration of council departments not talking to each other regarding planning permissions.
