Attendance: Paola Rezzilli, Les Peyto, Zen Ghani, Imelda Devlin

Apologies: Jeremy Miller (has left the society through ill health), Steve Good, Rhiannon Spear, Rhys Crilley, Jane Carolan, Duncan Gammie.

AGM:

Last year's poster is a pdf so can't be amended for this year. We don't know who designed this year's poster. We need another one quickly to go to the printers to get it put up in the area. All posters should go onto the Dropbox.

Imelda will do the catering for the AGM, tea, coffee, biscuits and wine.

The usual hall at Queens Park and Govanhill Parish Church is booked.

Our guest speaker is Jude from Queen's Park Neighbourhood Plan who will give us an update on the survey's and work they have been doing with the community council's surrounding the park, including us.

We need to put the AGM on our social media and on the blog. Will be better when we get some artwork.

Windows Wanderland:

Steve has submitted our application for the grant. The council sent some further questions, most of which have been answered by Emma Pais.

The last question was about who it would benefit. We reckoned about 1500-2000 people attend which helps the local economy (bars & restaurants etc.) and the community as a whole.

Newsletter:

We have some articles and we'd like to put the AGM poster on the back, if there is one.

We have no one to do the layout though. We discussed having a simple template that anyone can use to make up the newsletter.

Another discussion on the realities of continuing with the newsletter and the need for a discussion in a future society meeting.

Zen Ghani is now Chair of the Built Heritage Commission. We asked him about Langside Halls as it was one of the top topics in the Queen's Park Neighbourhood public survey. There is a feasibility study happening for it.
